Successful Landscape Construction Company

This long-established company is a leader in the landscape construction industry. Services include Design, Landscaping, Interlock/Paving, Concrete, Waterproofing, Flat roofs and Excavation. The company provides the customer with a one-stop contractor experience and professional custom installations that are of the highest quality and standards. Emphasis is continuously placed upon aesthetic elegance, quality and service, while using the most innovative products and technology. The company has completed work for the cities of Toronto, Mississauga, Brampton, Scarborough, Oshawa, as well as many custom home design build projects. Owner is ready to retire from the business. Great opportunity for expansion for a motivated new owner. For more information, contact George Berkovitz at 416.929.7000 (cell).
